A note from Mrs. Mans

In an effort to go green, You will be able to read the weekly newsletters on my website. If you do not have access to the internet, please let me know and I will be sure to send a hard copy home with your child on Mondays. My website address is

<http://karenmans.weebly.com>

Reminders:

*Please make sure to send a water bottle with your child during these hot months. It is very important to keep hydrated!

*Also, continue to remind your child to go directly to the playground before school.

* I am sending sight word rings home with a few students to practice the inventory list.

Please practice these at home with your child and return them daily. I will continue to put new words on these weekly IF they need extra practice at home.

*The weekly reading story will be typed out and added to my website for your child to practice weekly. You will also receive a book baggie once a week with a leveled story in it. Please have your child read this to you for fluency practice. Remember to send it back daily so that we can also read it with our leveled groups. You may count this as your reading homework for that night, but be sure to record the title in the agenda.
